Foundations of Recovery: Building a Wellness Toolkit

A statewide conference for providers of community mental health services and their partners in system transformation

June 25th - 27th

Sheraton Richmond West
Richmond, VA

Keynote Speakers:

Amy Long, National Empowerment Center
Priscilla Ridgway, PhD, Yale Program for Recovery and Community Health

Workshop topics include: Supported Housing, Employment, Person-Centered Service Planning, Peer Support, Trauma-informed Services, and Practical Skills for Providers in Promoting Recovery

- * Each CSB is encouraged to send 5 individuals including at least one consumer, family member, or other partner in their system transformation efforts
- * DMHMRSAS will sponsor a limited number of individuals not affiliated with CSB's
- * No registration fee
- * Registration information and more conference details to follow in May

Sponsored by the DMHMRSAS Office of Mental Health through the Mental Health Block Grant and the Real Choice Systems Change Grant
